

FLP PS-15-EC

15" Professional Stage Speaker Cabinet

The PS-15-EC is a protection casing for your professional loudspeaker system. As long as the speaker follows the cabinet's requirement, it is able to be installed securely in the cabinet. The cabinet provides an extra protection for your speakers avoiding unwanted damage to your speakers during logistical activities, touring or installation process. Made from rugged plywood material, this is one protection casing you can rely on for a secured and long-lasting sound system.
