

FLP-CL-410 / 420 / 430 / 440

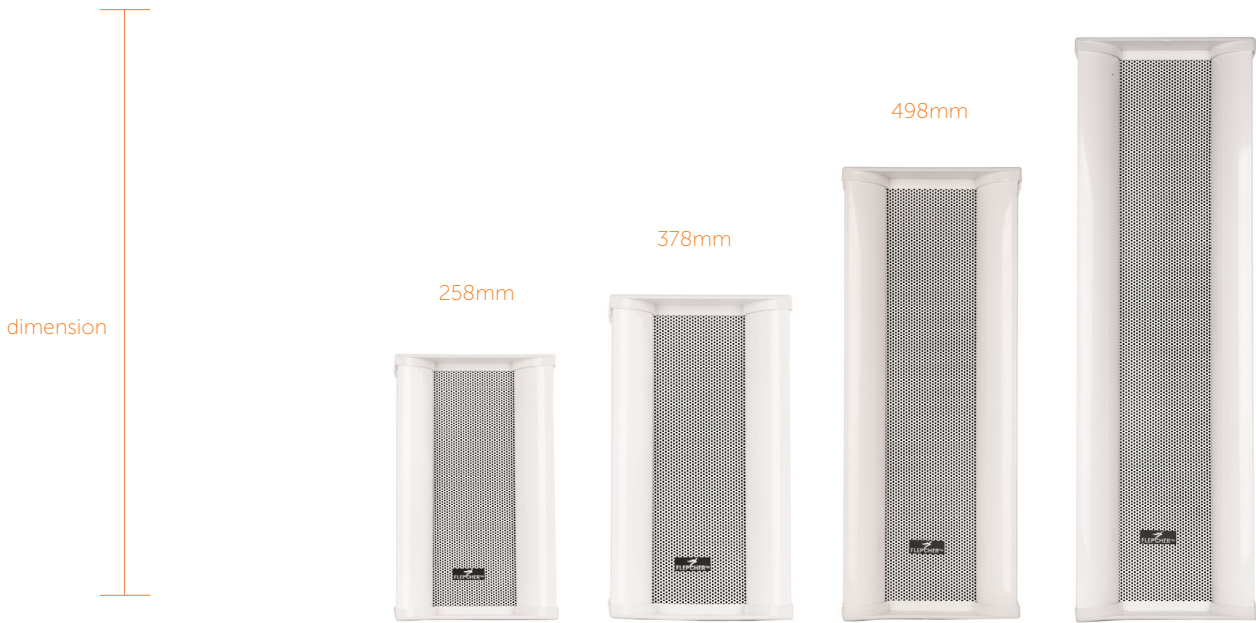

Outdoor Column Speaker

Elegantly designed with superbly acoustic performance, the Flepcher range of column speakers is an excellent choice for all your sound reproduction needs. With above average sound pressure level and efficient frequency response, they are impactful and capable of powering various venues. They are polished off with a sleek white aluminium finish and are suitable for outdoor or indoor usage. For wall mounting, a metallic swivel bracket is included. Additionally, different speaker model comes with different tapping power capabilities.
